

TOWN OF KINGSTON SPRINGS STREETS DEPARTMENT REPORT

4/11/08

Culverts were cleared on Hillcrest Road, Redwood circle, Harpeth View Trail and Mt. Pleasant Road.

During the recent heavy rain, part of West Kingston Springs Road experienced flooding over the road. We located the problem at the exit of the drainage system and had it cleared. This removal of debris corrected the problem.

Curb and gutters were cleared on Kingston Spring Road.

The Department has started on roadside mowing . All equipment has been serviced and are working well.

Potholes were filled on Kingston Springs Road and C.C. Road.

The litter program removed 311 lbs. of roadside litter this month.
